Happy New Year!

Dear Families,

Happy New Year!

Once again another year passes and a new year lays ahead. The new year is always about making resolutions to improve ourselves physically, emotionally, and spiritually. Setting goals as a parent provides our children with many teachable moments. Post your goal somewhere visible in your home, share the goal with them and what steps you are taking to achieve that goal! I have often recommended setting some family goals as well. As a family gather and share what you would like to do or see in the

next year. Remember to suggest goals that help others. Setting aside a set day of the month or week to share your time or talent with someone is always helpful. Here at our parish every Monday is Midnight Run. This is organized by a parishioner, Nick Torello who collects donated food, snacks, hats, socks, and gloves to the homeless. Our left over cookies from our Christmas pageant made their way to Midnight Run! As a family you can package sandwich size bags with cookies, left over candies, or even sandwiches and drop them off to the church vestibule every Monday. Whatever you choose as a resolution and

however you arrive at your goals, be sure to share with your children how to make adjustments.

James 1:2-4, 12 "Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing. Blessed is the man who remains steadfast (or perseveres) under trial, for when he has stood the test he will receive the crown of life, which God has promised to those who love him."

In God's Peace,

Miss Michele

Kindergarten Here I Come!

Our four year olds are going to be signing up for kindergarten very soon! All of the area towns and private schools will begin their registration process in late January and February. I will be

sending home a list of each of the area school districts and Catholic schools with contact information and dates and times of registration. If you are in need of a copy of your child's medical records, please feel free to see me for a copy. Also, if you would like to speak with your child's teacher regarding

this decision, please feel free to set up a time to speak with them. Kindergarten is the next step on your child's learning journey and we are here to prepare not only them but you as you take this next step!

Open House for New Students!

Our best advertising comes from our families! Each and every year we are delighted with the number of families that are referred to us by existing students or alumni! We look forward to meeting cousins and friends alike of our students! If you have anyone that has a child who either turns three before December 31, 2016 or a four year old, please feel free to pass on the following information! It is greatly appreciated!

Open House Schedule:

Thursday, January 14th

Thursday, January 21st

Saturday, January 23rd

Thursday, January 28th

All open houses are at:

1:00 p.m.

If someone is unable to make these times, I am more than happy to schedule a private tour during the week, weekend, or evening to accommodate their schedule! You may also encourage your friends to visit our website for information about our school!

Current Student Registration

Our current students who are returning to either threes or fours will receive their registration packets prior to the general public. This allows our current students preference in class placement. Students who will be attending our fours program have the option of all day pre-k (9:00 a.m. to 3:00 p.m.) or traditional half day (9:00 a.m. to 11:30 a.m. or 12:30 p.m. to 3:00 p.m. Your child's teacher is the best person to advise you on the proper placement of your child.

I will also have opportunities for our parents of threes to visit the two different four year old programs.

Classroom visits:

*Please schedule a time that you would like to visit a four year old classroom with me.

The visit will consist of a brief overview of each program and a visit to the two classrooms. Our parent handbook contains a daily schedule for the

two classes for your reference. As always, please feel free to see me with any questions.

Sibling Registration

We are so blessed by the number of families that entrust us with all of their children! Siblings of our current and previous students receive their registration packets in January with our current students. This allows our current students

and siblings to receive priority in class preference before open registration to the general public. Please be aware that there is a significant sibling discount when two children within the same family are in our program in the same school year. Many of

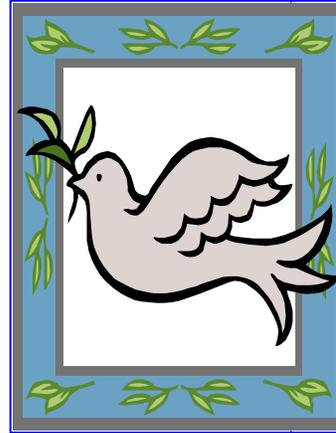

our siblings are more than ready to attend STNS as they have been dropping off and picking up their siblings for quite some time!

Martin Luther King Jr. Birthday

Our school will be closed on Monday, January 18th in honor of Dr. Martin Luther King Jr. In correlation with our celebration of his accomplishments, the children will be reading a picture book of his life as well as corresponding activities. I attended Boston University where Dr. King received his doctoral degree in ministry. In the front of our chapel stands a monument in honor of Dr. King that is comprised of a flock of doves representing the

peaceful nature of his intent. The dove is also the symbol of our holy spirit. It is our intent that our children will fulfill and maintain Dr. King's message as well as the message of our savior that we all walk hand in hand together for peace. This is especially poignant during the times that our world is in today. Please share the simple message of peace with your child through your words and actions and Dr. King's dream as well as

our savior will come to fruition!

Our January Service Project is a hat and mitten snowman clothesline for the students to pin their donations of hats and mittens on the line. These items will be donated to a family shelter in New Haven.

This is another wonderful opportunity to make our children more cognizant of the world around them and how to help those in need! The clothesline will be up soon! Thank you in advance for your donations!
