

Time & Talent Parent Volunteers

September 2011

Dear Parents,

In an effort to include our families in our school community as much as possible, we are asking you to complete the survey on how you may volunteer. Please remember that volunteering can be done at home or at school! Everyone has the time and some type of talent that they can share with others!

Volunteers in the past have assisted us in everything from making portfolios, baking, volunteering with a special talent, reading a book in their native language, or fundraising. This year I have added a committee for service projects. Over the past few years we have tried to make a greater connection to our veterans and those serving our country. I would like to incorporate this more into a committee.

Classroom volunteers are utilized farther into the school year as the beginning of the year is a significant transition for our children. When a child sees another parent or family member in the classroom, this can be rather upsetting. We also require a brief training prior to volunteers joining the classroom. This training revolves around the importance of confidentiality, classroom routines, and school protocols.

Please remember that if you volunteer to help with a classroom party, we allow each parent that has signed up an opportunity to attend at least one. We also limit the number of volunteers so that it is not overwhelming to the children.

If you have any questions, please feel free to contact me. We thank you in advance for your support of our school!

In God's Peace,

Miss Michele

Please return the form by: October 3rd

Time & Talent Share

Child's Name _____ Parent's Name _____

The best time for me to come in is: _____

I would like to help in the following ways:

Talents:

1. Help out in the classroom with a special project: _____
